

The background image shows an industrial facility, likely a refinery or chemical plant, during sunset. Large cylindrical storage tanks are visible in the foreground, with one tank on the right showing a prominent reflection of the orange and yellow sky. Above the tanks, a complex network of pipes, valves, and structural steel beams forms a multi-level framework. The sky is a mix of soft orange, pink, and grey tones. A decorative graphic on the left side consists of a yellow triangle pointing right, overlaid on a purple rectangle with a white geometric pattern.

## Chapter 13

# **FLAMMABLE AND COMBUSTIBLE LIQUID USAGE**
